### *But wait, there's more:*

- About the wine, there is the possibility of choosing from our wine list where we have more than 600 references, and then we make a value per person or we charge as it will be consumed.
- If you wish you can create your own menu from all the menus we have available. We will later calculate a price for it.
- The values are already tax included and are valid for the year 2018.
- The menu must be communicated 2 days before the event. And the number of guests confirmed at least 24 hours before the event, being that the number of people that we charge.
- ~ The Choice of menu must be the same to all of the guests
- Welcome drink, is served during the maximum period of 45 minutes.
